

Bloody Mary

1 1/2 - 2 OZ of Vodka

(Depends on cup size, at which you would add more or less vodka)

Tomato Juice

Horseradish (generic/fresh)

County Fair Fresh Refrigerated Pickles

County Fair Fresh Pickle Juice

Pepper

Preparation: Mix Vodka, tomato juice, and pickle juice together. Pour over ice. Add pinch of horseradish. Add one pickle. Add pepper to desirable amount. Notice there is *no Tabasco*, because Tabasco is absolutely horrible in this drink. If you're a big Tabasco fan you should try a *Prairie Wildfire*.
